

GEOFF MCINROY**Camp Hill School Board Director Candidate**

My wife Jennifer and I have lived in Camp Hill with our two daughters in the district for the last 10 years. I am an attorney here in Camp Hill practicing criminal defense in all of the neighboring counties. I was raised in Cumberland County and have embraced this community and its families. I firmly believe that community, sacrifice, and compromise are important values that I bring to the Camp Hill School Board. I have served on the Board for three years and will employ that experience to continue to make sound decisions to benefit the students, staff, the District, and the community of Camp Hill.
