

MEREDITH BOWEN
Camp Hill School Board Director Candidate

When my family and I relocated, we chose the Camp Hill community based on the exceptional school district and small community feel in an otherwise metropolitan area. It's no secret that it's an amazing place to raise a family. Since I moved to Camp Hill, I have regularly been involved with the teachers and staff related to my son's education and have personally experienced the amount of time, energy, and passion they invest in their students. I have regularly volunteered in my son's classrooms and school activities and have been involved in several of his extracurricular activities within the Camp Hill Borough and School District.

I have a 12-year-old son in the Camp Hill School District and my husband works in Operations for one of the largest state agencies in PA. I'm the proud owner of the sweetest Weimaraner and 2 cats. In my spare time I enjoy cooking, am working towards my Black Belt in Tae Kwon Do, volunteer on my Reunion Committee and am a member of the Women's Leadership Council for McDaniel College, and attend various sports practices, games, and activities with my active son.

I am an Executive Partner of Walker Bowen Talent Partners, a national professional services staffing firm, with over 20 years' experience serving people in a variety of capacities and industries, including: IT, Finance, Marketing, Healthcare, and Federal Government. I graduated from McDaniel College with a BA in German, Minor in Theater, and concentration in French and Business. My liberal arts education and varied sales, operations, and leadership experience throughout my career has provided me with a wealth of knowledge regarding business operations and strategy, leadership, customer service, and collaboration across various teams. This experience translates strongly to working with a board of diverse personalities and responsibilities to develop solutions that benefit the greater good, as well as understanding and working within the confines of budgets, systems, and regulations.

My desire to serve as a School Board Director to the Community in which my family and I reside stems from witnessing firsthand how much of a pillar our School District is in our community. I want to be able to support the children, teachers, and staff in such a manner that allows them to continue to thrive, therefore allowing our community to continue to thrive. I appreciate your consideration for the opportunity to serve as School Board Director of this amazing community.
