Hello! My name is Mary Kathryn Schmitz. I have lived with my family in Precinct 3 of Camp Hill, PA since 2017, and I am running for Judge of Elections. I was born on election day in 1962, the 5th child of a very liberal mom and a very conservative dad. Because I am the daughter of parents who differed extremely in their political views, I grew up in an environment that taught me the crucial importance of making sure that all voices are heard, all votes are counted. My mother worked at the polls all day the day I was born, so it has always seemed to me that I was born to work at the polls, to serve my community in that way. I was asked to do so in fall 2020 in Camp Hill, and I enjoyed the experience tremendously. I would be honored to serve you for the next four years in the role of Judge of Elections.
