

Josceylon Buchs (pronounced “Books”)

I appreciate you taking the time to get to know a little bit about me and my desire to serve as a School Board Director for the Camp Hill School District.

Why Am I Running?

I have always been an educator at heart. (Even as a child, I often coaxed my sisters into playing “school” for hours on end!) Now, as a parent and a longtime Camp Hill resident, I want to play an active and dedicated role in supporting our schools, our educators, our community and, ultimately, our children along their pathways to growth and success.

Throughout the past year and the COVID-19 pandemic, I have seen firsthand the impact closed schools and hybrid learning has had on our kids at all academic levels. Professionally, I’ve needed to manage very difficult conversations with my staff about equity, diversity and inclusivity – topics that are showing up in our classrooms and communities more and more. I’ve done a lot of listening, reading, and asking questions, because I know the most effective way to get things done is by creating safe space for open conversations and new connections.

I am confident that my personal and professional experience coupled with my willingness to roll up my sleeves, learn, listen, partner, and contribute will make me an excellent School Board Director. Thank you for your support!
