

**RANDY GALE**

**Camp Hill School Board Director Candidate**

My wife Pam and I have lived in Camp Hill for over 40 years. As a firm believer in the value of public education, I have served multiple terms as a Camp Hill School Director. I have also served as a volunteer teacher for the Sixth Grade Outdoor Education Canadensis Program for over twenty years. Our sons attended the Camp Hill Schools which provided them with an excellent start in life. I have done my best as a School Director to try to assure that all of the children of Camp Hill have the educational support they need to be successful.
