

LUISA LASSOVÁ

Camp Hill Borough Council Candidate

lassova19@gmail.com

My name is Luisa Lassová and I'm a candidate for Camp Hill Borough Council.

My family and I have lived in the Borough since 2014 and our son graduated from Camp Hill High School in 2021. When we moved to the area, we specifically chose Camp Hill because of its bikeable and walkable nature. It was such a pleasant sight to see kids roaming freely around town, without the need to be driven everywhere by their parents.

Professionally, I'm trained as a Chemist and have most recently worked for the Pennsylvania Department of Environmental Protection (PA DEP).

In the past few years, I have been very active in bicycle and pedestrian advocacy and trail building. Some of you might already know me from my work with Bike Camp Hill and Friends of the Conodoguinet Greenway.

If elected, I plan to work on maintaining and improving the Borough's walkability and bike-friendliness and implementing the goals of the recently passed Camp Hill Climate Action Plan. I'm also interested in waste & recycling, stormwater, and the shade tree commission. While environmental advocacy is my main passion and expertise, I'm also looking forward to getting involved in all other aspects of municipal government.
